

# SAVE MONEY WITH NO-COST IMPROVEMENTS

Energy Trust of Oregon wants to help increase your comfort and lower your utility costs with free duct sealing and repairs.

Serving customers of Portland General Electric, Pacific Power, NW Natural, Cascade Natural Gas and Avista.

# MANUFACTURED HOME SERVICES FOR NO COST

## RECEIVE IMPROVEMENTS VALUED AT \$600

Energy Trust is offering a home energy assessment, duct sealing and repairs at no cost to you.

These improvements take little time and will help:

- Lower your heating and cooling costs
- Increase your comfort
- Improve your indoor air quality
- Improve the performance of your heating system

Here's how it works: A specially trained technician will conduct a home energy assessment, test your duct system for leaks and may seal these areas at no cost to you. Owners and renters are eligible but rental units must receive prior approval by the owner or property manager.

To see if this opportunity is right for your home, call **1.866.368.7878** or visit
